Dear Vendor,

Pacific Northwest Montessori Association is an organization of Montessori professionals and advocates including teachers, student interns, administrators, school support staff, teacher trainers, and dedicated parents. Our annual Sharing Fair promotes the continuing education and collaboration of our community.

A highlight of the day and highly anticipated activity is the Vendor Showcase. The Fair will attract public and private school teachers who work with very young infants to middle school children around the Puget Sound. This year, Cedar River Montessori, will host the annual Sharing Fair. We invite you to participate in our Vendor Showcase by bringing your materials for sale and for orders on site. Attendees will have a significant amount of time available to view and purchase from vendors throughout the event.
