

Dear Company Sales Representative:

The ***Pacific Northwest Montessori Association*** is the central organization in the Northwest for Montessori professionals and advocates including teachers, student interns, administrators, school support staff, teacher trainers and dedicated parents. Our annual Sharing Fair promotes the continuing education and collaboration of our members. A highlight of the day and focal point of activity is the Vendor Showcase. Professionals in attendance will be looking to purchase your top quality materials for their Montessori environments birth through middle school in private and public schools.

We invite you to participate at a Vendor booth by bringing your materials for sale and for orders on site. Attendees will have a major portion of their time available to view and purchase from vendors with the booths open for the duration of the event. Additional advertising on our website will be scheduled around these opportunities.

Registration is open online.
